ADDENDUM NO. 4 – JAIL STAFFING AND WORK SCHEDULE ISSUES

ATTACHMENT – SETTLEMENT AGREEMENT

ARTICLE 1 - INTRODUCTION

The terms and conditions of employment that are set forth in this Memorandum of Understanding (MOU) have been discussed in good faith by the County of Fresno and by the Fresno Deputy Sheriff's Association, the certified organization for Unit 1, Law Enforcement Personnel. The parties agree to jointly recommend to the Fresno County Board of Supervisors that all terms and conditions of employment as set forth herein become effective on the date approved by the Board of Supervisors, except where the MOU, or legal prohibitions, necessitate a later effective date.

ARTICLE 2 - SALARIES

Salaries for all classifications covered by this MOU shall be as specified on Addendum - Salaries.

ARTICLE 3 - OVERTIME PAY

Employees shall receive compensation in cash or compensatory time off (CTO) as provided below at the rate of one and one-half (1½) the employee's hourly rate of pay, as set forth below, for overtime worked as defined in Section 800, of the Fresno County Salary Resolution.

Overtime Defined

For employees of this Unit who are engaged in "law enforcement activities" as defined under provisions of the Fair Labor Standards Act (FLSA), overtime is BOTH:

1. Authorized work performed in excess of eight (8) hours in a day, (or over, nine (9), ten (10), etc., hours per day pursuant to an alternative work schedule), or over forty (40) hours in a workweek (from 12:01 a.m., Monday through Midnight the following Sunday);

AND

2. Authorized work performed in excess of eighty-six (86) hours in a work period under Section 7k of the FLSA. The work period is a fourteen-day (14) period commencing at 12:01 a.m., Monday and terminating at Midnight the second following Sunday.

The following Unit classifications, under FLSA, are not considered to be engaged in "law enforcement activities" as defined under provisions of the FLSA: Communication Dispatcher I/II/III/Specialist; Community Service Officer; Crime Scene Specialist I/II/III, Criminalist I/II/Specialist; Deputy Coroner I/II; Forensic Autopsy Technician; Identification Technician I/II/III, Property & Evidence Technician and Rangemaster. For these employees, overtime is defined as:

Authorized work performed in excess of eight (8) hours in a day, (or over nine [9], ten [10], etc., hours per day pursuant to an alternative work schedule), or over forty (40) hours in a workweek/FLSA work period, (from 12:01 a.m., Monday through Midnight the following Sunday).

Overtime shall also include all authorized consecutive hours worked over eight (8), (nine [9], ten [10], etc.) in a day and which extend into a new day. This provision shall include hours worked before or at the end of a work shift. However, overtime paid in this setting shall not be included in any overtime/double-time computation for regularly assigned work hours on the new day.

In determining whether or not overtime hours have been worked for the Deputy Coroner classification series, only productive work hours (actual hours worked) shall apply, except as outlined in Article 5 – Call-Back Pay and Article 6 – Special Call-Back Situations. Time off for a holiday during the pay period in which the holiday occurs shall be considered productive time.

In determining whether or not overtime hours have been worked for all other classification series, consecutive vacation days shall not be considered productive time worked for scheduled vacation, and not factored into the productive hours used to calculate overtime as defined above except as outlined in Article 5 – Call-Back Pay and Article 6 – Special Call-Back Situations. Scheduled vacation is defined as the time the member signs up prior to the change of the payroll year and what FSO refers to as ‘Shift Change.’ The member(s) have the opportunity to select, based on seniority in the specific Area, shift or Unit they are in for the upcoming year; vacation time as defined in the Sheriff Office vacation policy. Vacations scheduled pursuant to this policy will not be considered productive time for the purpose of calculating overtime with the exception of when employee(s) of this Unit are subpoenaed to testify, or ordered into work, while utilizing non-productive hours, those hours would be considered authorized work and factor into the productive time calculation for overtime.

Overtime Payment

All overtime shall be paid in cash unless the employee opts to receive CTO. Overtime paid in cash shall be calculated at the rate of one and one-half (1½) the employee’s base hourly rate of pay, unless the time worked meets the definition of overtime under provisions of the FLSA. In the latter instance, overtime shall be calculated at the rate of one and one-half (1½) the employee’s regular rate of pay, as defined by provisions of the FLSA. The fact that the County may initially calculate overtime based on the regular rate of pay for all overtime hours worked does not obviate the County’s future exclusive right to differentiate between overtime rates as set forth herein.

Mandatory Overtime Procedure - Deputy Sheriff

The mandatory overtime procedure, as it relates to the Deputy Sheriff classification series, shall be applied as is detailed in the Sheriff’s Policy "Assigned, Mandatory and Voluntary Overtime Procedures" with exception to jail overtime shifts.

With exception to hospital overtime shifts and jail overtime shifts, when the Sheriff-Coroner or his/her designee cancels a Deputy Sheriff's overtime shift, assigned or volunteered, within twelve (12) hours of the overtime shift, then the Deputy Sheriff shall be compensated for two and one-half (2½) hours at time and one-half (1½) their base hourly rate of pay.

With exception to jail overtime shifts, when the Sheriff-Coroner or his/her designee cancels an overtime shift, assigned or volunteered, within two (2) hours of a hospital overtime shift, then the Deputy Sheriff shall be compensated for two and one-half (2½) hours at time and one-half (1½) their base hourly rate of pay. Deputy Sheriff's who are scheduled to work (assigned or volunteered) a hospital overtime shift, are required to contact the Sheriff Department's designated contact person, two and one-half (2½) hours prior to their scheduled start time.

Furthermore, if the Sheriff-Coroner or his/her designee cannot personally speak with the Deputy Sheriff when canceling an overtime shift, the parties agree that the Sheriff-Coroner's or his/her designee's attempt to contact the Deputy Sheriff shall be deemed as meeting the notice requirement.

CTO

If in lieu of cash compensation CTO is chosen by the employee, the employee shall be entitled to accumulate up to eighty (80) hours at any given time. Anything over the maximum eighty (80) hours balance shall be paid in cash automatically. The department head retains the right to pay all CTO in cash to all employees covered by this provision immediately before the expiration of this MOU. CTO for all Unit employees will be taken off at a time mutually agreed upon by the department head or his/her representative and the employee. The department shall not unreasonably withhold the use of CTO. Reasonableness shall be as set forth in the FLSA and appropriate regulations. Employees may request and shall be paid in cash at anytime for accrued CTO at the employees regular rate of pay at the time such payment is made. Payment shall be made on the scheduled paycheck for the period payment is requested.

Double-Time Provision

Should an employee of this Unit be scheduled by management to work more than seven (7) consecutive work days, commencing on the eighth (8th) day, the employee shall be compensated at two (2) times his/her base hourly rate for each hour worked until such time as two (2) consecutive days off are provided by Management. CTO may be elected by the employee subject to the eighty-hour (80) maximum.

For the purposes of determining a consecutive day worked, if an employee is scheduled to work a schedule that crosses over the midnight hour (e.g., until 1:00 am), any time worked into the second day shall not constitute a day worked if the employee is not scheduled to work the remainder of that day.

This payment may not be applicable as determined by management in cases of a local or state of emergency as specified in Chapter 2.44 of the Fresno County Ordinance Code.

This payment shall only apply when the employee has been scheduled by management and ordered to work more than seven (7) consecutive work days and does not apply when the work is as a result of the employee volunteering.

To clarify which employees are volunteers, each employee shall be provided a form once each year upon which they may waive eighth (8th) day double-time compensation. Employees may either complete the form, thereby indicating waiver; or discard it. Employees who return the form shall not be entitled to double-time compensation for the eighth (8th) consecutive day worked nor days thereafter. The waiver shall be in place for one (1) year and may not be rescinded by the employee.

It shall be the responsibility of employees to notify their immediate supervisor of the possibility of an eighth day double-time situation. Failure by the employee to advise their immediate supervisor of the eighth day double-time compensation situation shall be deemed a waiver of the eighth (8th) day double-time compensation mechanism.

Telephone Calls

Employees who are authorized by management to receive work-related phone calls at home in lieu of returning to the work site shall be compensated at time and one-half (1½) for time actually spent addressing the call.

ARTICLE 4 - STANDBY PAY/ON-CALL

When Sheriff's Department employees are ordered by the Sheriff-Coroner or his/her designee to stand by for duty and restricted as to their movement while off duty, they shall be compensated at twenty-five percent (25%) of their base salary for such time (one-half [½] hour minimum).

When Sheriff's Department employees or Deputy Coroners are ordered to stand by for court time and restricted as to their movement while off duty, they shall be compensated twenty-five percent (25%) of their regular hourly for such time (four hour minimum equal to one hour of pay).

When Deputy Coroners are ordered, as a result of emergency situations, to stand by for duty by the Sheriff-Coroner, or her/his designee, and restricted as to their movement while off duty, he/she shall be compensated at twenty-five percent (25%) of their base salary for such time (one-half [½] hour minimum).

When a Deputy Coroner is scheduled by the Sheriff-Coroner, or her/his designee, to be on-call, he/she shall be compensated for time spent on-call at the rate of one (1) hour's pay for each eight (8) hours on-call. Additionally, when a Deputy Coroner, who is scheduled to be on-call, responds to the field to resolve an issue, he/she shall be compensated for time spent in the field at the rate of time and one-half (1½) their base hourly rate of pay for time actually spent resolving the issue.

ARTICLE 5 - CALL-BACK PAY

An employee shall be paid for being called back to work when all of the following conditions are met:

- A. The employee is unexpectedly ordered to return to work by his/her department head and does, in fact, return to work.
- B. The order to return is given to the employee following termination of his/her normal shift and his/her departure from his/her work location.
- C. Such return to work occurs within twenty-four (24) hours of when the order is given, but not less than two (2) hours prior to the established starting time of the employee's next regular shift.

Compensation for call-back shall be the greater of:

- A. Minimum of two (2) hours at overtime; or
- B. Time spent at the work location at overtime.

Under these circumstances, the employee shall be paid at the rate of time and one-half (1½) his/her base hourly rate of pay, unless the actual hours worked on a call-back plus all other hours actually worked, exceed eighty-six (86) hours in a work period under FLSA provisions for specified employees or over forty (40) hours in the FLSA work period for specified employees. In these latter circumstances, the employee shall be paid at the rate of time and one-half (1½) his/her regular hourly rate of pay, as defined by FLSA.

Compensatory time off may be elected, subject to the eighty-hour (80) maximum, described in the Overtime provision of this MOU.

Employees called back to duty under provisions of this article shall additionally be compensated at time and one-half (1½) their base hourly rate for thirty (30) minutes travel time.

ARTICLE 6 - SPECIAL CALL-BACK SITUATIONS

Court Time

Court time call-back shall apply to those appearances in court as a witness to testify as to matters discovered in the course of duty when such appearances are outside the employee's work hours.

Special Hearings

Call-back for special hearings shall apply to those instances authorized by a Sheriff's Captain in the Sheriff's Department where testimony on behalf of department management is required and when such appearances are outside the employee's scheduled work hours.

Compensation

Compensation for call-back under this article shall be the greater of:

- A. Minimum of four (4) hours overtime; or
- B. Time spent at the work location at overtime.

Travel Time

Employees called back under provisions of this article shall additionally be paid overtime at their "regular hourly rate" for thirty (30) minutes travel time.

Note: This article does not apply to the Deputy Coroner classification series.

ARTICLE 7 - BILINGUAL SKILL PAY

Whenever an employee working a shift, as defined in the preceding paragraph, who is eligible for shift premium is required to perform overtime work between the hours of 5:00 p.m. and 7:00 a.m., such employee's basic compensation plus the appropriate shift differential shall be used in determining any cash payment for overtime hours worked.

When an employee who is regularly scheduled for shift work is temporarily moved to another shift for the convenience of the department, the usual shift differential will continue to be paid through the period when temporarily reassigned. For this purpose, temporary reassignment is any reassignment made with the expectation that the employee will return to the assigned shift.

Any Deputy Sheriff working as a uniformed officer assigned to a Watch I shift (between the hours of 2130 and 0730 - graveyard) shall be paid, in addition to the basic compensation, an eight percent (8%) premium for all regularly scheduled hours on that shift [i.e., maximum number of eight (8), ten (10) or twelve (12) hours (depending on regular shift)]. The following terms and conditions also apply:

4. Any Deputy who is temporarily assigned to the Watch I shift or any Watch I Deputy who is required to work an extra Watch I shift shall be paid the 8% shift premium. The shift differential will be used in determining cash payment, if any, for overtime hours worked.
5. Any Deputy Sheriff assigned to work in the Fresno County Jail who is assigned to a regular Watch I shift, shall be paid, in addition to the basic compensation, an eight percent (8%) premium for all regularly scheduled hours worked on that shift [i.e., maximum number of eight (8), ten (10) or twelve (12) hours (depending on regular shift)]. All other conditions apply from items 1-4 above.

The following terms and conditions also apply:

1. There shall be no shift premium paid when the employee is not actually working the Watch III shift (e.g., employee is scheduled to work another shift or is off of work on paid or unpaid time).
2. Any Deputy (e.g. working Watch II) who works overtime hours in the Watch III shift shall not be eligible to receive shift premium, unless the employee remains on duty until at least 2130 hours.
3. Whenever employees regularly scheduled to a Watch III shift are required to perform overtime work before or beyond the end of their regularly scheduled Watch III shift, they shall not receive shift premium for any overtime hours worked that occur outside of their Watch III shift.
4. Any Deputy who is temporarily assigned to the Watch III shift or any Watch III Deputy who is required to work an extra Watch III shift shall be paid the 2% shift premium. The shift differential will be used in determining cash payment, if any, for overtime hours worked.

ARTICLE 13 - WORK-RELATED INJURY/4850 TIME

Introduction

The County and the Association recognize the importance of having a work-related injury/illness reported and processed in a timely manner. They also acknowledge that an efficient reporting system will enable the County's Workers' Compensation adjuster to effectively evaluate and confirm the validity of a work-related injury/illness claim. To assure that this occurs, the County and the Association have agreed to prioritize the processing of claims governed by provisions of Labor Code 4850 using the protocol set forth below.

The parties further acknowledge that the mere adherence to this process does not validate a claim. Claims will still be subject to review and investigation by the adjuster.

Employee's Responsibilities

When an employee who is governed by provisions of Labor Code 4850 sustains an injury or illness which has arisen out of the course of the employee's job duties, and the injury or illness necessitates absence from duty, the employee shall notify his/her immediate supervisor within two (2) working days of this condition. If the employee does not notify

his/her supervisor within this time frame, any absence from duty as a result of this condition shall be recorded as “Annual Leave - O.J.I.”, sick leave, compensatory time off, or dock time depending on the employee’s situation, until such time the claim is evaluated by the County’s Risk Manager and is determined by him/her to be valid, subject to review and investigation by the adjuster.

Supervisor’s Responsibilities

When a supervisor has been notified of an on-the-job injury or illness, he/she shall, within two (2) working days, complete a “Supervisor’s Investigation Report” and forward this report to the Sheriff’s Captain assigned to the Administrative Division. If the supervisor fails to submit the report within two (2) working days, all associated on-the-job leave time shall be recorded as “Annual Leave - O.J.I.”, sick leave, compensatory time off, or dock time depending on the employee’s situation, until such time the claim is evaluated by the County’s Risk Manager and is determined to be valid, subject to review and investigation by the adjuster.

Personnel Unit’s Responsibilities

When the Sheriff’s Captain assigned to the Administrative Division receives a “Supervisor’s Investigation Report”, he/she shall, within two (2) working days after receiving the Report, deliver copies of the Report to the County’s Risk Manager and the Sheriff’s Business Manager. If copies are not delivered within this time limit, all associated on-the-job leave time shall be recorded as “Annual Leave - O.J.I.”, sick leave, compensatory time off, or dock time depending on the employee’s situation, until such time the claim is evaluated by the County’s Risk Manager and is determined to be valid, subject to review and investigation by the adjuster.

Risk Manager’s Responsibilities

Upon receipt of a “Supervisor’s Investigation Report” and within two (2) working days, the County’s Risk Manager shall evaluate the Report and decide, based on his/her evaluation of the information presented, if a work-related injury or illness has occurred. If he/she believes the claim is legitimate, he/she shall notify the Sheriff’s Business Manager and instruct him/her to record all associated leave time as “4850 Time”. If he/she believes the claim is not valid, he/she shall FAX the claim to the County’s Workers’ Compensation adjuster and instruct the Sheriff’s Business Manager to record all associated leave time as “Annual Leave - O.J.I.”, sick leave, compensatory time off, or dock time, depending on the employee’s situation. If the Risk Manager fails to complete this evaluation timely, all associated on-the-job leave time shall be recorded as “4850 Time” until such time as the adjuster renders a preliminary finding and notifies the Sheriff’s Business Manager of this finding.

Sheriff’s Business Manager’s Responsibilities

It shall be the Business Manager’s responsibility to record any associated on-the-job leave time as directed by either the Risk Manager or the County’s Workers’ Compensation adjuster. In the absence of this direction, the Business Manager shall consult with the Risk

Manager regarding the proper coding of leave time. If the Business Manager is unable to obtain guidance from the Risk Manager within two (2) working days of receiving a Report from the Personnel Unit, he/she shall record all associated on-the-job leave time as “4850 Time” until he/she receives direction from the adjuster or the Risk Manager.

Workers’ Compensation Adjuster’s Responsibilities

Upon receipt of an on-the-job injury or illness claim that has been denied by the County’s Risk Manager, the adjuster shall render, within fourteen (14) working days, a preliminary determination on the validity of the claim. If the adjuster finds the claim to be valid, he/she shall notify the Sheriff’s Business Manager within the fourteen (14) day time limit of his/her decision and the Business Manager shall submit the appropriate payroll adjustment forms requesting the Auditor-Controller/Treasurer-Tax Collector to reinstate the employee’s Annual Leave and related benefits. Adjustments - Final Investigations

Once a work-related injury or illness claim is investigated by the County’s Workers’ Compensation adjuster and he/she determines that the injury or illness is not job connected and the employee has been on “4850 Time”, the adjuster shall notify the Sheriff’s Business Manager of his/her determination and the Business Manager shall submit the appropriate payroll adjustment forms to the Auditor-Controller/Treasurer-Tax Collector. The employee’s related time off shall be adjusted retroactively to reflect Annual Leave, sick leave, compensatory time off, or dock time. If dock time is recorded, the employee shall reimburse the County for such time that he/she was on 4850 status within the time limits established by the Auditor-Controller/Treasurer-Tax Collector.

If the adjuster determines that the injury/illness is job connected, he/she shall notify the Sheriff’s Business Manager of his/her determination and the Business Manager shall submit the appropriate payroll adjustment forms to the Auditor-Controller/Treasurer-Tax Collector. The employee’s leave balances and benefits shall be reinstated by the Auditor-Controller/Treasurer-Tax Collector within three (3) work weeks of receiving the adjustment forms.

The time approved for such therapy shall be reasonable and subject to verification/approval by department management. Every effort shall be made by the employee to minimize any impact on their work schedule. The County and the employee reserve all rights provided in California Labor Code. This provision is not grievable through the County Employee Grievance Procedure.

Grooming time shall not include time spent in formal training and time spent in routine and/or emergency veterinary care.

Compensation

The parties agree that Deputy Sheriffs assigned canines for home kenneling shall be compensated for grooming time conducted outside of the hours of the Deputy’s normal shift. All such grooming time shall be compensated at the rate of time and one-half (1½) the Deputy’s base hourly rate of pay, unless the actual hours worked exceed 86 hours in a work period. Under FLSA provisions, if such hours plus all other hours actually worked exceed 86 hours in a work period, the compensation shall be at the rate of time and one-half (1½) the employee’s regular hourly rate. ARTICLE 31 - COUNTY VEHICLE ASSIGNMENTS/HOME-GARAGING

The application process for assignment of County vehicles is contained in the Fresno County Administrative Code and must be followed in order to receive consideration for either permanent assignments or home-garaging privileges.

The County has made clear its intent that a strict application of the criteria listed below by reviewing parties is necessary to assure the maximum efficiency and economy of County operations.

Permanent assignment must be based on the following:

1. On-the-job utilization of at least 1,000 miles per month.
2. The need to transport specialized equipment not easily transferred between vehicles.

Residence-garaging requires that one of the following criteria be met:

1. The requirement to respond to an average of six (6) or more after-hour emergency calls per month requiring a vehicle.
2. The requirement to report directly to the field or depart very late from the field at least four (4) days per week.
3. The requirement for a specially equipped vehicle for after-hours emergency calls (frequency specified in No. 1 immediately above).

The Fresno County Administrative Code provides that the County Administrative Officer shall make the final decision regarding permanent assignment and residence-garaging. The County Administrative Officer shall also make the final decision regarding the total number of vehicles at any time assigned within a department, the total number of those vehicles allocated for permanent assignment, and for residence-garaging. The County Administrative Officer may determine it to be operationally necessary to reallocate a County vehicle permanently assigned or residence-garaged at any time.

The parties agree that in individual instances factual information relating to the criteria specified in the Administrative Code may be unclear. In order to assure clarity, the following procedure shall apply:

When either an application for permanent vehicle assignment or residence-garaging has been denied or revoked, the affected employee is entitled to an impartial review of the employee's vehicle use as it relates to the appropriate criteria or criterion described above. For this extraordinary purpose, the procedures described in Step 3 of the County Employee Grievance Procedure shall be used upon request of the affected employee. If a grievance committee is appointed to review the matter, it shall only find in the employee's favor if the employee has presented unmistakably clear data that the appropriate criteria or criterion has been met. In making its decisions, the committee must also consider the total number of vehicles specifically allocated by the County Administrative Officer for permanent assignment and residence-garaging privileges within the Sheriff's Department.

ARTICLE 32 - TRAINING SESSIONS

The County agrees to conduct those regularly scheduled range training sessions, and related training that can be accommodated during such sessions, during the normal working hours of those required to attend. The Sheriff-Coroner retains the right to schedule any training class, including range training, outside the employee's normal working hours and all such training shall be at the discretion of the Sheriff-Coroner.

ARTICLE 33 - HEPATITIS VACCINATION

The County and the Association recognizes that employees assigned to the classifications of Deputy Sheriff I - Court Services, Deputy Sheriff I – Recruit, Deputy Sheriff II-IV; Deputy Coroner I/II; Identification Technician I-IV; and Criminalist I-Specialist are subject to a greater occupational risk of exposure to Hepatitis - B than other employees represented by Bargaining Unit 1.

To minimize the contraction of hepatitis, all personnel assigned to the above-mentioned classifications shall be screened to determine if the hepatitis vaccination will be of medical benefit to the employee. Newly hired employees entering these classifications must complete the screening and vaccination processes within ninety (90) days following date of hire. If it is determined to be of benefit, the employee shall receive the necessary vaccinations at the County's expense. The above screening and vaccination process will be administered through County facilities, unless referred by County Administrative Office.

ARTICLE 34 - REFERENCE MATERIALS

Annually, each January during the term of this MOU, the Sheriff-Coroner will provide all sworn personnel, who are required to use the Penal Code on the job as determined by the Sheriff-Coroner, a current edition of the California Penal Code and related laws.

This Penal Code shall be the personal responsibility of each sworn personnel to whom issued and shall be returned to the Sheriff's Department upon resignation, termination, or transfer or reassignment to a position or assignment not requiring the use of the Code on the job as determined by the Sheriff-Coroner. Should an individual misplace or lose the Code copy, that individual will reimburse the Sheriff's Department for same at rate then current.

ARTICLE 35 - MENTAL HEALTH SERVICES

ARTICLE 49 - EMPLOYEE GRIEVANCE PROCEDURE

Purpose

It is a mutual obligation on the part of administrative, supervisory and non-supervisory employees of the County of Fresno to provide efficient and continuous services to the public. Employee morale is an important factor in maintaining a high level of public service and the administration has a responsibility to provide an orderly and expeditious method for resolving problems which may arise from working relationships and conditions. This procedure is intended to provide an orderly method for processing grievances in the interest of obtaining a fair and equitable solution.

Grievance Procedure

Before filing a grievance, be certain to read this entire procedure, including the rules and definitions.

Step 1: When an employee becomes aware that a problem exists, the employee shall discuss the matter informally with the lowest ranking immediate supervisor whose job classification is not included in the same certified representation Unit. This discussion shall be sought by the employee not later than fourteen (14) calendar days after the alleged problem occurred or was discovered. The provisions outlined in Steps 2, 3 and 4 do not act to restrict the employee or the immediate supervisor from seeking advice and counsel when it appears that settlement can be reached informally.

Step 2: If within seven (7) calendar days a mutually acceptable solution has not been reached during Step 1, and the employee wishes to pursue the grievance, the employee shall submit it in writing on the standard grievance form to the Department Head with a copy to the Human Resources Manager, Labor Relations Division, no later than the end of the seventh (7th) calendar day. The Department Head will give notice and hear the grievance and render a written decision within seven (7) calendar days of receipt of the formal grievance from the employee.

Step 3: Grievances unresolved at Step 2 may be submitted to Mediation by mutual written agreement between the employee's representative and the Human Resources Manager of the Labor Relations Division within five (5) calendar days of receipt of that decision. If agreed, the parties shall obtain the services of a mediator from the California State Mediation and Conciliation Service in an effort to mediate grievance resolution before Step 4 is pursued. The parties shall not divulge in any form the offers made in mediation.

Step 4: If the employee is dissatisfied with the decision of the Department Head, the employee may, within five (5) calendar days of receipt of that decision, or within five (5) days of the conclusion of mediation efforts, request that the grievance be presented to a grievance committee for review. Such request shall be submitted to the Human Resources Manager, Labor Relations Division. At this time, if the Human Resources Manager is unable to resolve the grievance informally within five (5) calendar days, steps shall be initiated to convene a grievance committee which shall meet to hear the matter at the earliest possible date. The committee shall state in writing its factual findings and reasons for its decision.

NOTE: The parties may, by mutual agreement, proceed immediately to Step 4 of the grievance procedure.

Notwithstanding the foregoing, if the grievance relates to the interpretation or application of a statute, ordinance or written policy of the Board of Supervisors, and the employee is dissatisfied with the decision of the Department Head, upon request of the employee within the time above-stated, the Department Head shall request the opinion of the County Counsel thereon, whose opinion shall be final.

If the decision of the grievance committee can be implemented by the Department Head without Board of Supervisors' action, the recommendation shall be implemented by the Department Head. If the decision of the grievance committee cannot be implemented by the Department Head but requires Board of Supervisors' action, the recommendation shall be submitted for consideration by the Board of Supervisors at their next regularly scheduled public meeting. The action of the Board of Supervisors shall be final and binding.

If the decision of the grievance committee can be implemented by the Department Head and without Board of Supervisors' action, the County or the employee may seek relief in a court of law. A party desiring to reserve the right to appeal the grievance committee's decision in a court of law pursuant to these rules has the burden of preserving the record of the hearing. A party who plans to use a court reporter shall inform the other party within three (3) calendar days of the hearing to avoid duplication of costs. Appeal from decisions by the grievance committee shall be on the record of the grievance committee's hearing by administrative mandamus under California Code of Civil Procedure Section 1094.5, which appeal shall be filed within thirty (30) calendar days after the grievance committee's decision.

Explanation of Rules

1. Except where a remedy is otherwise provided for by County Charter, Civil Service Commission rules, or law, any employee shall have the right to present a grievance arising from his employment in accordance with the rules and regulations of this procedure.
2. All parties so involved must act in good faith and strive for objectivity, while endeavoring to reach a solution at the earliest possible step of the procedure. The aggrieved employee shall have the assurance that filing of a grievance will not result in reprisal of any nature.
3. The aggrieved employee shall have the right to be represented or accompanied by a person of the employee's choice if the complaint is not resolved at the informal level as provided for in Step 1 of the grievance procedure. This representation may commence when the grievance is presented in writing to the Department Head, as provided in Step 2 of the grievance procedure.
4. The processing of a grievance shall be considered as County business, and the employee and his representative shall have reasonable time and facilities allocated. The use of County time for this purpose shall not be excessive, nor shall this privilege be abused.
5. Certain time limits in the grievance procedure are designed to quickly settle a grievance. It is realized, however, that on occasions, the parties concerned may be unable to comply with the established limitations. In such instances, the limitations may be extended upon the mutual agreement of all parties concerned.
6. Failure of the aggrieved employee to file an appeal within the prescribed time limit without good cause for any step of the procedure shall constitute abandonment of the grievance. County management personnel involved shall abide by prescribed time limits. Failure to do so without good cause shall be considered an automatic ruling in favor of the grievant in any instance where the Department Head would have had the authority to grant such settlement, as bestowed by County Charter, Ordinance, Board of Supervisors' Resolution, or other legal documents. No such ruling shall be considered precedent-setting.
7. Any person responsible for conducting any conference, meeting, or hearing under the formal grievance procedure shall give due and timely notice to all persons concerned.
8. Standard grievance forms will be made available through the individual departments, the Human Resources Department, and each employee organization.
9. When two or more employees experience a common grievance, they may initiate a single grievance proceeding. The initial hearing of the grievance shall be by the Department Head. If the employees work in separate departments, the grievance shall be referred immediately for grievance committee decision.

Definitions

Day/Calendar Day - A calendar day. The time period for grievance purposes begins on the first day following the day the grievance is filed or submitted to the next step.

Department Head - The administrative head or acting head of the department involved, or a designated representative.

Employee - An individual occupying a position permanently allocated by the Board of Supervisors as a part of the regular staffing of the department.

In that case, the employee shall receive normal compensation when serving during regular working hours. No overtime shall be paid when part or all of the process occurs outside regular working hours. This member shall not be a party of interest to the grievance.
2. The County Administrative Officer or his/her representative, who shall not be an employee of the same department as the grievant.
3. A representative selected by the above-mentioned members from a panel of five candidates submitted by the California Department of Industrial Relations Conciliation Service. Said member so selected shall serve as Chairperson, and the cost of the Chairperson shall be borne equally by both parties.

The parties may, by mutual agreement, select to have the grievance reviewed only by a representative selected from a panel of five candidates submitted by the California Department of Industrial Relations Conciliation Service. The cost of the member so selected shall be borne equally by both parties.

Immediate Supervisor - The individual who assigns, reviews, or directs the work of an employee, and who is not in a job classification in the same certified representation Unit as the grievant.

A misapplication of a Memorandum of Understanding, Ordinance or Resolution of the Board of Supervisors, or of the written policies, administrative orders, or a clearly established lawful past practice of a department, relating to the employment of the individual; provided, however, that such complaint shall not include an action subject to the jurisdiction of the Civil Service Commission or any other matters which are otherwise reviewable pursuant to another administrative remedy.

If a grievance is alleged relating to a past practice as specified above, the grievant must first establish that practice has existed, and if sustained, any decision relating to the grievance shall only apply to the specific grievance and shall not be considered as a precedent.

ARTICLE 50 - EXTENSION OF PAID MILITARY LEAVE

Eligible Bargaining Unit Members shall be subject to paid military leave as approved by Resolution of the Board of Supervisors until such time that the Board of Supervisors terminates said Resolution.

ARTICLE 51 - LEAD WORKER ALLOWANCE – DEPUTY CORONER II

Employees in the classification of Deputy Coroner II who are assigned by management to perform lead work involving assigning, reviewing and coordinating the work of employees shall receive an allowance of fifty dollars and no/100 (\$50) per pay period, pro-rated for the actual number of hours worked, not to exceed eighty (80) hours per pay period. There shall be no allowance paid during periods of annual leave, sick leave us and during holiday time off.

Persons designated by the department head to receive this allowance do so at the pleasure of the department head and assignment decisions designated or removing designations are not grievable or appealable to the Civil Service Commission, or subject to challenge in a court of law.

ARTICLE 52 – 5-YEAR RETENTION PAY DEPUTY SHERIFF CLASSIFICATION SERIES

Effective July 11, 2022, employees within the Deputy Sheriff classification series shall be eligible to receive a 5% retention premium pay differential upon completion of at least 26 pay periods at step five and the completion of five years of continuous satisfactory service in that position, as defined in Salary Resolution Sections 410.1 and 410.2 and upon recommendation of the employee's Department Head.

ARTICLE 53 – 10-YEAR RETENTION PAY – DEPUTY SHERIFF AND COMMUNICATIONS DISPATCHER CLASSIFICATION SERIES

Effective October 16, 2023, employees within the Deputy Sheriff and Communications Dispatcher classifications shall be eligible to receive a 5% retention premium pay differential upon successful completion of 260 pay periods (10 years) of continuous County

service within the same classification series. Employees shall be eligible for the retention premium pay differential the pay period following the completion of the 260 continuous pay periods.

ARTICLE 54 - ASSOCIATION BUSINESS – FDSA

The Association and County agree to establish a bank of leave hours to be used as paid time off in the conduct of Deputy Sheriff's Association business. This agreement is subject to the following conditions:

Effective the first pay period in February, the County shall calculate the amount of annual or vacation leave hours and/or fractions thereof (not to exceed seven (7) hours per employee and rounded to the nearest tenth of an hour only), necessary for deduction from the annual or vacation leave balances of each Unit 1 employee, that will equal in the aggregate a 3,000 hour bank. Because the number of employees in Unit 1 fluctuates, the parties recognize that the total bank of hours may range between 2,950 and 3,050 depending upon the number of employees as of the first pay period in February.

If the amount calculated in February is more than three and one-half (3½) hours, then the County shall deduct three and one-half (3½) hours from the annual or vacation leave balances of each Unit 1 employee effective the last pay period in February. The remaining amount (the difference between the calculated amount and the 3½ hours deducted in February) shall be deducted effective the last pay period in August.

If the amount calculated in February is less than three and one-half (3½) hours, then the County shall deduct the calculated amount from the annual or vacation leave balances of each Unit 1 employee effective the last pay period in February only.

The parties agree that all employees who have annual or vacation leave balances as of the first pay period in February shall donate the above specified hours. This includes individuals on Labor Code 4850 and other approved leaves of absence.

Hours from the bank may be used by representatives designated by the Association in the conduct of official Association business pursuant to a list provided by the Association. Individuals requesting time off for such use will do so in the same manner they request use of annual or vacation leave for other purposes and the time off will be granted or denied on the same basis that any other request for leave is granted or denied by management.

No one Association member, except the Association president, may use more than 500 hours. This condition shall be applicable during any February to February period.

The parties agree that effective January 30, 2006, the Association president shall be released on a paid, full-time basis for purposes of conducting Deputy Sheriff's Association business. The parties further agree that the Association president shall be paid through the utilization of the Association's bank of leave hours.

Hours deducted from employee balances shall not count toward the 120-hour mandatory annual leave usage requirement.

Association representatives using hours from the bank shall report such usage on their time sheets under an earn code specified by the County. The County assumes responsibility for assuring that hours used do not exceed those established in the bank annually.

ARTICLE 55 - WAIVER CLAUSE

The parties acknowledge that, for the life of this MOU, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter pertaining to or covered by this MOU, or any other matter within the scope of negotiations, notwithstanding any other provisions of law to the contrary. Furthermore, the parties agree that neither party shall lobby the board of the other party regarding making changes on matters within the scope of negotiations that could occur during the term of the MOU.

ARTICLE 56 - SAVINGS CLAUSE

The provisions of this MOU are declared to be severable and if any section, subsection, sentence, clause, or phrase of this MOU shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses and phrases of this MOU, but they shall remain in effect, it being the intent of the parties that this MOU shall stand notwithstanding the invalidity of any part. Further, neither party shall be bound by any promise or assurance that is not explicitly covered in this MOU, addendum, or sideletter agreement signed by both parties.

This MOU shall govern in case of conflict with provisions of existing County ordinances, rules, and regulations pertaining to wages, hours, and other terms and conditions of employment but otherwise such ordinances, rules, and regulations shall be effective and the Board of Supervisors and other County boards and commissions retain the power to legislate pertaining to such matters subject to compliance with the Meyers-Milias-Brown Act.

COURT SERVICES STAFFING

Deputy Sheriff and Community Service Officer Classification Series

The parties have met and conferred on the impact regarding the expanded use of the Deputy Sheriff II classification within Court Services and the utilization of the Community Service Officer classification within Court Services. This MOU addendum becomes effective on the date approved by the Board of Supervisors. Having met and conferred the parties agree to the following:

Deputy Sheriffs

1. The use of the Deputy Sheriff II classification will be expanded in Court Services at the earliest possible date as funding permits, as determined by the Sheriff.
2. Deputy Sheriff II incumbents may be assigned to Court Services, patrol, the jail or any other unit as determined by the Sheriff.
3. During FY 2001/2002, if funding permits as determined by the Sheriff, Deputy Sheriff I - Court Services incumbents may submit an application, after notice is posted by the Sheriff's Department, to promote through a departmental promotional process (see attached promotional process) to the Deputy Sheriff II classification. During FY 2001/2002 and subsequent fiscal years, the number of Deputy Sheriff I - Court Services that are eligible to promote to Deputy Sheriff II will depend on the available funding, as determined by the Sheriff.
4. Any Deputy Sheriff I - Court Services who is promoted to Deputy Sheriff II shall be required to serve a new one year probationary period. Any incumbent rejected during probation shall have the right to return to the I level if they had attained permanent status at that level. If permanent status was not attained at the I level, the incumbent would be terminated from County service.
5. Effective with the changes to the Fresno County Salary Resolution, Table of Positions, the Deputy Sheriff II will be the primary level at which future vacancies in the Deputy Sheriff classification series will be filled, as determined by the Sheriff.
6. The Deputy Sheriff I - Court Services classification will be retained until all current incumbents either promote or separate from County service.
7. It is the desire of the Sheriff that Deputy Sheriff I - Court Services incumbents promote to the Deputy Sheriff II classification and pass the required promotional process and subsequent Field Training Program (FTP). Unless waived by the Sheriff, those employees who do not successfully complete the FTP shall demote to Deputy Sheriff I - Court Services.
8. The classification specifications for the Deputy Sheriff I - Court Services and Deputy Sheriff II/III will be revised accordingly to incorporate the organizational changes.

9. This addendum supersedes the Deputy Sheriff I - Court Services section of the Career Development Plan Implementation Article and makes this section null and void.
10. Decisions made by the Sheriff relative to the status of funding and number of promotions or decisions to promote to Deputy Sheriff II in any given fiscal year are not appealable or grievable.

Community Service Officers

1. The Community Service Officer classification will be used in the Court Services Unit to assist Deputy Sheriffs in maintaining public security in the Superior Court and performing general administrative support functions, effective on the date the Salary Resolution, Table of Position changes are approved by the Board of Supervisors.
2. The specifications for the Community Service Officer classification series will be revised accordingly to incorporate the organizational changes.

Deputy Sheriff I – Court Services Promotion to Deputy Sheriff II Application Procedure

1. Deputy Sheriff I - Court Services who meet the minimum qualifications for Deputy Sheriff II may apply for promotion to Deputy Sheriff II by obtaining, from the Sheriff's Personnel Office, the form entitled "Deputy Sheriff II Statement of Qualifications".
 - a. Submit the completed document to the supervising sergeant for evaluation as to readiness for promotion.
2. The sergeant will return the application to the lieutenant within three (3) working days with the recommendation.
 - a. If the sergeant believes the applicant is qualified and his/her performance is acceptable, they will so indicate and forward the form to the appropriate lieutenant.
 - b. If the sergeant believes the applicant is not qualified or has performance deficiencies, they will so indicate in writing and forward the form to the lieutenant in the chain of command.
3. The lieutenant, upon receipt of the form, will review and carefully consider the total evaluation and,
 - a. Indicate concurrence with the sergeant's recommendation, or indicate that they do not concur and prepare a separate narrative form of explanation.
 - b. The lieutenant may overrule the sergeant in either direction, that is, they may recommend promotion when the sergeant feels it is not in order, or they may recommend against promotion when the sergeant is in favor of it. In either case, they must present a written explanation.
 - c. Forward the application to the Bureau Commander within three (3) working days.

4. The Bureau Commander will review the application and recommendations. The Bureau Commander and/or Sheriff will make the final decision and forward it to the Personnel section for appropriate processing.
5. Those Deputy Sheriff I – Court Services approved for promotion shall be ranked in seniority order (BA#) for purposes of processing. Seniority shall not determine the basis for promotion, but may be considered as part of the selection criteria. Seniority shall determine the order of processing once the employee has been approved for promotion.
6. Those Deputy Sheriff I – Court Services approved for promotion shall be required to serve a one-year probationary period. Any incumbent rejected during probation shall have the right to return to the Deputy Sheriff I – Court Services level if they have attained permanent status at that level. If permanent status has not been granted, the incumbent shall be terminated from County service.
7. In the event of rejection upon application for promotion, the applicant shall be given the opportunity to request an appeal before the reviewing lieutenant to offer facts in mitigation in support of the applicant. The appeal shall be in written form and must be requested by the applicant within three (3) working days of notification of rejection. Upon review, the lieutenant will either sustain the rejection, or forward a new, revised recommendation/application to the Bureau Commander. In either event, the applicant shall not be precluded from re-applying for subsequent openings in the Deputy Sheriff II classification.

JAIL STAFFING AND WORK SCHEDULE ISSUES

The parties have met and conferred over the impact of implementing several staffing and work schedule changes within the Jail of the Sheriff's Department. Having met and conferred, the parties agree to the following Memorandum of Understanding (MOU) Addendum:

Effective Date

This MOU Addendum will become effective upon approval by the Board of Supervisors.

Deputy Sheriff's Classification Series

1. Effective June 24, 2002, 40 Deputy Sheriffs' positions will be assigned to the Jail. Although it is not anticipated that additional Deputy Sheriff positions will be recommended, the Sheriff reserves all rights related to staffing. If additional positions are added at a later date, the Association will be notified of such recommendations.
2. Deputy Sheriff incumbents assigned to the Jail will perform all detention-related duties and responsibilities.
3. Deputy Sheriff incumbents will be supervised through the appropriate chain of command (e.g., Correctional Sergeants, Correctional Lieutenants). Incidents to be investigated by the Internal Affairs Unit, that involve staff assigned to the Jail while on or off duty, will be assigned to the appropriate investigator by the Internal Affairs Sergeant.
4. While no specific timeframe is established, it is anticipated that Deputy Sheriff incumbents assigned to the Jail will remain in this assignment approximately two years.
5. Deputy Sheriff II new hires may be initially assigned to the Detention Custody Bureau. Furthermore, such new hires may be granted status as a permanent employee based solely on experience gained while assigned to the Detention Custody Bureau.
6. Current Deputy Sheriff incumbents may be reassigned to the Jail at the discretion of the Sheriff, or may request a reassignment pursuant to current departmental procedures. The Sheriff reserves all rights associated with the deployment of staff to meet the operational needs of the department.
7. Time spent assigned to the Jail shall be counted toward seniority for purposes of Deputy Sheriff shift selection and vacation time off throughout the department. In regards to both shift selection and vacation scheduling in the Jail, department management will identify the number of slots available, and Deputy Sheriffs will "bid" for those slots based on current departmental procedures as utilized in the Jail (seniority will be blended with Correctional Officers).

12-Hour Flexible Work Schedules – Jail Only

1. A 12-hour work schedule may be established effective in FY 2002/03 by the Sheriff, for all Unit 1 classifications assigned to the Jail.
2. If such schedule is established, it will consist of seven 12-hour workdays in a 14-day work period (84 hours), consistent with the FLSA 7(k) exemption.
3. This flexible work schedule shall be governed by Salary Resolution Sections 813.2 (Exemptions – Overtime). Overtime shall only be paid for authorized work performed in excess of 12 hours in a day or over 84 hours in a work period.
4. Employees shall be credited with a maximum of 8 hours Holiday time for holidays worked or taken (including holidays falling on a regular day off).
5. If the Sheriff implements the 12-hour schedule in the Jail, it will continue for one year from that implementation date. 45 days prior to the one-year period, the parties shall meet and confer over continuation of the 12-hour work schedule.

Establishment of the Deputy Sheriff I – Recruit Classification

1. The parties agree that on June 4, 2002, it will be recommended to the Board of Supervisors that a provisional Deputy Sheriff I - Recruit classification be established at the same salary range as Deputy Sheriff I - Court Services and included within Unit 1.
2. Unit 1 employees that desire to promote/demote to Deputy Sheriff positions shall, in addition to meeting the established minimum qualifications, except P.O.S.T., participate in a departmental selection process for Deputy Sheriff - I Recruit. Those individuals selected by the Sheriff shall be allowed to attend the peace officer academy (Basic P.O.S.T.) certificate) at the expense to the County (i.e., County-paid salary, tuition and materials cost).
3. Any employee so selected, would either promote or demote into the provisional Deputy Sheriff I- Recruit classification. Those employees demoting shall do so without any loss in current base compensation (their salary would be y-rated until they are promoted to a level in the Deputy Sheriff classification series where there is a step that exceeds their y-rated salary).
4. Any employee who demotes to Deputy Sheriff I - Recruit from a position in which he/she had permanent status and is rejected during the provisional appointment to Deputy Sheriff I - Recruit, shall have the right to return to that position. Employees who promote shall have the same rights, pursuant to Personnel Rule 5023.
5. During successor MOU negotiations, the parties will continue to meet and confer regarding the impact of the establishment of the Recruit classification.

WHEREAS, FDSA filed a petition for writ of mandate and a complaint for declaratory relief in Superior Court Case No. 01 CE CG 02423 alleging that the Sheriff's Department violated the FDSA Memorandum of Understanding by ordering Patrol Division employees to depart from their four day, ten hour work week (4/10) and by unilaterally changing an established practice of allowing members to cash out eighty hours of annual leave yearly.

WHEREAS, the COUNTY timely filed an answer to the writ of mandate and complaint for declaratory relief denying each and every allegation contained therein.

WHEREAS, the parties hereto wish to avoid additional expense, time and risk of litigation, and wish instead to resolve this matter without further litigation.

NOW, THEREFORE, in consideration of their mutual promises and obligations herein exchanged it is hereby agreed as follows:

1. Sheriff agrees to issue a memorandum to his executive staff regarding notice of schedule changes and holiday scheduling as set forth in Exhibit A attached hereto and incorporated by this reference.

guideline set forth in Exhibit B attached hereto and incorporated by this reference.

3. The Sheriff and County agree to an annual leave reinstatement process as set forth in Exhibit C attached hereto and incorporated by this reference for deputies in Community and Youth Services Bureau who used two hours of annual leave/vacation pay on Labor Day and/or Veteran's Day in 2001.

4. FDSA agrees to dismiss with prejudice Fresno County Superior Court Case No. 01 CE CG 02423 upon execution of this Agreement.

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

7. This Settlement Agreement and Release of Claims shall be construed and interpreted in accordance with the laws of the State of California.

8. Each party agrees to take such actions and to execute and deliver such documents as may be reasonably necessary to effect the purpose and terms of this Agreement.

voluntarily accept each of them. In addition, each party represents that it has signed this Agreement free from compulsion, coercion or undue influence.

10. This Agreement contains the entire agreement of the parties with respect to the subject matter thereof. All prior agreements, representations, understandings, and writings concerning the subject matter are hereby expressly superseded and are of no further force or effect. No variation or modification of this Agreement shall be deemed valid unless done in writing signed by all the parties.

11. Nothing in this Agreement shall be interpreted or construed to be an admission on the part of, nor to the prejudice of, any party named herein. Such party expressly denies any and all liability arising from or related to the above-mentioned action.

TO: Sheriff's Department Executive Staff
FROM: Sheriff Richard Pierce
SUBJECT: Schedule Changes and Holiday Schedules

I am issuing this memorandum to executive staff clarifying my position regarding advance notice to employees when their regular days off and/or work hours are changed and changing employee's regular days off solely because their RDO falls on a holiday.

The following sets out my position:

1. Notice of Schedule Changes:

Each supervisor and manager should try to give employees at least two weeks notice, or as much notice as possible, when changing employee's RDO and/or hours to meet departmental needs.

2. Holiday Schedules:

Supervisors and managers are not to change any employee's RDO solely because the employee's day off falls on a County paid holiday.

Please make sure that supervisors and managers in your Bureau understand my position with respect to each of these issues.
