

**NOTICE OF PROTECTION PROVIDED BY  
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION**

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association ("the Association"). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

**COVERAGE**

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**

80% of death benefits but not to exceed \$300,000

80% of cash surrender or withdrawal values but not to exceed \$100,000

- **Annuities and Structured Settlement Annuities**

80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of April 1, 2011, is \$470,125. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer.

## **COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE**

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

## **NOTICES**

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. ## **INCONTESTABILITY PROVISIONS**

### **A. Incontestability Of Insurance**

Any statement made to obtain or to increase insurance under the Group Policy is a representation and not a warranty.

No misrepresentation will be used to reduce or deny a claim unless:

1. The insurance would not have been approved if we had known the truth; and
2. We have given you or any other person claiming benefits a copy of the signed written instrument which contains the misrepresentation.

We will not use a misrepresentation to reduce or deny a claim after the insurance under the Group Policy, for which such representation was made, has been in effect for two years, unless it was a fraudulent misrepresentation.

### **B. Incontestability Of Group Policy**

Any statement made by the Policyholder to obtain the Group Policy is a representation and not a warranty.

No misrepresentation by the Policyholder will be used to deny a claim or to deny the validity of the Group Policy unless:

1. The Group Policy would not have been issued if we had known the truth; and
2. We have given the Policyholder a copy of a written instrument signed by the Policyholder which contains the misrepresentation.

The validity of the Group Policy will not be contested after it has been in force for two years, except for:

1. Nonpayment of premiums; or
2. Fraudulent misrepresentations.

**SA.IN.OT.1**

## **CLERICAL ERROR, AGENCY, AND MISSTATEMENT**

### **A. Clerical Error**

Clerical error by the Policyholder, your Employer, or their respective employees or representatives will not:

1. Cause a person to become insured;
2. Invalidate insurance under the Group Policy otherwise validly in force; or
3. Continue insurance under the Group Policy otherwise validly terminated.

### **B. Agency**

The Policyholder acts on their own behalf as your agent, and not as our agent. The Policyholder has no authority to alter, expand or extend our liability or to waive, modify or compromise any defense or right we may have under the Group Policy.

C. Misstatement Of Age

If a person's age has been misstated, we will make an equitable adjustment of premiums, benefits, or both. The adjustment will be based on:

1. The amount of insurance based on the correct age; and
2. The difference between the premiums paid and the premiums which would have been paid if the age had been correctly stated.

### **TERMINATION OR AMENDMENT OF THE GROUP POLICY**

The Group Policy may be terminated by us or the Policyholder according to its terms. It will terminate automatically for nonpayment of premium. The Policyholder may terminate the Group Policy in whole, and may terminate insurance for any class or group of Members, at any time by giving us written notice.

Benefits under the Group Policy are limited to its terms, including any valid amendment. No change or amendment will be valid unless it is approved in writing by one of our executive officers and given to the Policyholder for attachment to the Group Policy. The Policyholder, your Employer, and their respective employees or representatives have no right or authority to change or amend the Group Policy or to waive any of its terms or provisions without our signed written approval.

We may change the Group Policy in whole or in part when any change or clarification in law or governmental regulation affects our obligations under the Group Policy, or with the Policyholder's consent.

Any such change or amendment of the Group Policy may apply to current or future Members or to any separate classes or groups thereof.
