

LIGHT UP THE CITY

559

We are challenging our entire city to come TOGETHER this year and do TWO things to make the season extra special for the kids, especially the BRAVE ones battling childhood illness...

- 1) Decorate your home for the holidays, whether it be 1 strand or 100 strands of lights. Get outside with your neighbors and help one another out. Let's Light Up the 559!!
- 2) Make a \$15.00 donation and receive a sign to place in your yard. All proceeds will bless families at the Central Valley Ronald McDonald House near Valley Children's in Madera, who will be spending Christmas in the hospital with their child.

Spread the word throughout your neighborhood and let's make this Christmas Season a Season to Remember!!

For information on how to buy your sign please visit/contact us and share our QR code:
