San Diego Police Department

EOW: June 4, 2021

Age: 33/32 **Tour:** 9 years **Cause:** Vehicle Accident **Suspect:** Killed

On Friday, June 4, 2021, San Diego Police Department Detective Ryan Park and his wife Detective Jaime Huntley-Park were both killed in a head on vehicle crash while working on a follow-up to a case. The crash was unrelated to the case.

The crash occurred on Interstate 5 near Route 905 in San Ysidro. The driver of the vehicle who was driving the wrong way in traffic was killed as a result of the vehicle accident.

Detective Park and Detective Huntley-Park met in the police academy while attending for the San Diego Police Department in April of 2012. They were both promoted to rank of Detective on the same day in 2018. Ultimately, they died together on the same day in a tragic vehicle accident. This is such a sad and unfortunate line of duty death. Both Detectives were rising stars in the San Diego Police Department. They were active members of the San Diego community. The families of these two, along with San Diego Police Department are mourning their loss.
